Woningtype D
- optie A.01.d2 Uitbouw begane grond achterzijde 1,2 meter

The architectural floor plan depicts a symmetrical residential building with two wings. The central core contains a staircase (trapkast) and a central hallway. The left wing features a living room (woonkamer, 46.7 m²), a kitchen (keuken, 8.3 m²), a bedroom (slaapkamer, 10.4 m²), and a bathroom (badkamer, 4.4 m²). The right wing mirrors this layout. Outdoor spaces include a terrace (terras) and a garden (tuin). The plan is annotated with dimensions, room numbers, and furniture placement.

The floor plan shows a symmetrical layout with two identical residential units. Each unit consists of a living area (14), a kitchen (15), a dining area (16), and three bedrooms (17, 18, 19). The plan also includes a central staircase, a bathroom, and a storage area. Dimensions and room numbers are clearly marked.
