A 3D architectural rendering of a two-story house. The house features a prominent red-tiled roof with several solar panels installed on the main roof and a smaller section. The exterior walls are a light grey or tan color. The house has multiple windows, including large multi-paned windows on the upper floor and a large glass extension on the ground floor. A small wooden door is visible on the left side of the ground floor. The house is shown from a perspective view, highlighting its complex roofline and modern design elements.
